

Tudor Grange Primary Academy, St James

6th April 2020

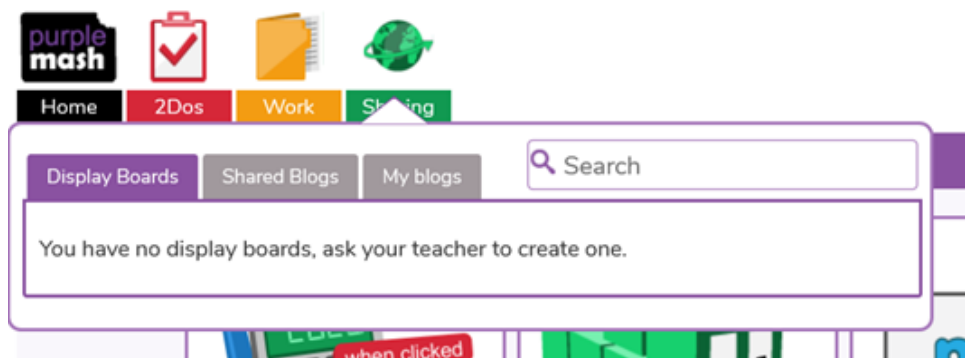

Dear Parents

Y4 now have a class blog. This is for their school work where they can upload images of their work or comment on their work. The blog can only be accessed by Y4 pupils and all pupil comments are moderated by the school so there will be a delay before comments appear on the blog.

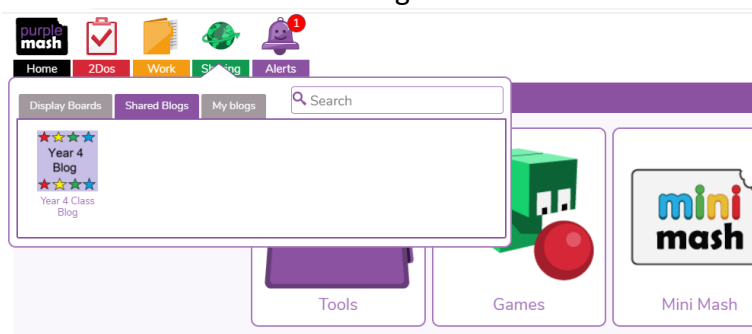

It is accessed through Purple Mash and all pupils have their own Purple Mash login.

To access the area:

- login to Purple Mash
- click on the green 'Sharing' tab (below the image of the green world)

- choose the 'Shared Blogs' tab

- click on Year 4 Blog

From here, you can read the blog and send a reply.

Tudor Grange Primary Academy, St James

Pupils are reminded of the acceptable use policy which they all agreed to when logging in to their school account for the first time. Any pupil found to be using any system inappropriately risks having their access revoked and account closed.

We are looking forward to hearing from all of the class. Miss Davies and I are missing our lovely Year 4 children!

Yours sincerely

H Fellowes
