PARENT BULLETIN

This bulletin will allow us to give updates for parents all in one place. The links will take you to relevant updates/letters for your child's year group or to websites to locate information which you might find useful.

Enrichment Clubs – Autumn Term 2.

We are pleased to advise you that we are now able to reintroduce previously offered enrichment clubs led by teaching staff starting from next week. Further details of external led clubs and EYFS/KS1 pupils will follow. EYFS Clubs will begin in the Spring term for the remainder of the academic year, to allow for the children to settle into their already extended school days.

If your child would like to attend an enrichment club, you will need to book a place, via their MCAS account (go to the 'Clubs' tab on the left hand side of the screen). Places are limited and bookings are offered on a first come, first served basis and are bookable from this afternoon. The cost to secure a place for the remainder of this half term is £1.50 which is payable through your child's MCAS account and we ask that unless you notify the school office that your child is not attending that they do commit to the duration of the half term.

Pupils will be dismissed promptly at the end of the enrichment club via the large playground unless they are booked in afterschool care where they will be taken directly there.
