## PARENT BULLETIN

No.14

This bulletin will allow us to give updates for parents all in one place. The links will take you to relevant updates/letters for your child’s year group or to websites to locate information which you might find useful.

### Spring Term 2022

A very Happy New Year to you all and we welcome everyone back to school. The children have all settled back into their school routines very quickly and we are looking forward to the term ahead.

### Enrichment Clubs – Spring Term

We are pleased to inform you of the forthcoming enrichment clubs which will commence next week (unless otherwise stated). You can secure a place for your child via their MCAS account. Enrichments clubs always prove popular and as numbers are restricted, places are offered on a ‘first come, first served’ basis. As clubs are generally fully booked, should your child not attend for two consecutive weeks, we may offer their space to another pupil who would like to attend.

Bookings may be made from today and you may book (spaces permitting) at any point during the term (although there is no reduction in the cost if you book at a later date). Spanish and Cookery & Craft club are at a higher cost, this is to help cover the costs of the resources for Cookery & Craft and because Ms Martinez is an external provider for Spanish club.

All clubs will finish at 4pm and pupils will be dismissed from the playground, unless they are attending after school club where they will be taken to directly.

## Swimming Lessons

## Staff Update

We look forward to welcoming Mrs Nazerali back on 12<sup>th</sup> January following her maternity leave. Mrs Nazerali will be joining the KS2 team where she will be teaching maths across Year 3 and 4.

## Reminder

In the cold weather, remember that we still play outside!  
Please ensure that your child brings their (named) coat, hat, scarf and gloves on these colder days.

## Curriculum Updates

You may have noticed that updates and photographs are posted within your child's year group to give you an idea of curriculum activities taking place within the term. May we ask that you check your child's MCAS account to ensure you have given permission (for website photographs) in order that we can use your child's photograph should you wish. We hope you enjoy seeing your child immersed in their activities!
