PARENT BULLETIN

This bulletin will allow us to give updates for parents all in one place. The links will take you to relevant updates/letters for your child's year group or to websites to locate information which you might find useful.

Enrichment Clubs – Summer Term

In addition to Footiebugs and Stardust Dance/Gymnastics, please find below the enrichment clubs on offer which will commence next week.

If your child would like to attend an enrichment club, you will need to book a place, via their MCAS account (go to the 'Clubs' tab on the left hand side of the screen). Places are limited and bookings are offered on a first come, first served basis and are bookable from **6pm** this evening. As you are aware, the clubs are popular and we would ask that you notify the school office if your child no longer wishes to attend a club which they have signed up for in order that we can offer the place to another child who might be on a waiting list.

Day	Club	Led by	Year Grp	Information
Tuesday	Discovery Club	Mrs Albanese & Mrs Fenlon	EYFS	Science/Craft/Gardening activities

All clubs end at 4pm and children are dismissed from the playground.

Parking Issues

We are aware that some of our school family have been victim of, or witness, to anti-social behaviour in the local community when dropping off/collecting children. These incidents can be very upsetting and we feel strongly that no member of our community should be made to feel intimidated or be verbally abused. We would strongly urge anyone involved in such incidents to report them to the police in the first instance. We would also ask that you let us know about any such incidents so that we can use community channels to log issues too. We are aware that parking can be problematic in the immediate area around the school, and continue to request that parents continue to be respectful of driveways and road marking when parking.

MCAS (MyChildAtSchool)

There have been some issues lately with some parents trying to make purchases using MCAS (Bromcom Parent App). The Bromcom support team are working with their payment provider and will be looking to make some changes to the app to fix these issues. We will update you as we know more.
