

Please find below a basic checklist of ingredients that you may use when baking your cake. If your cake includes these, please place a tick in the column next to it and any comments that we may need to know. E.g You may tick Nuts, but comment that it's Coconut or Almond used.

Please complete, print and provide this with any cakes you are donating to the cake bake sale.

We will need a list for each individual type of cake you do if you are baking more than 1.

Thank you, from the PTA.

Name: _____

Cake provided: _____
