Collection Arrangements 2021

Your child will **only** be released to a family member or friend that you have previously authorised. Please record below the names of those that you authorise to collect your child, including yourself.

Please let the school office know in advance, if you wish anyone, other than those specified on this form, to collect your child.

Your child will only be released to authorised adults and checking permission via telephone (whilst the alternative adult and your child are waiting) can be time consuming and problematic.

Thank you for your support with this matter.
